**CPDU 5 credit hours
EI 5 credit hours Assessment**

Description:

In vision, participants will learn how and who to screen as well as who is at risk of vision impairments, warning signs, types of screening tools, and when/how to refer for further assessment/services. In hearing, participants will learn the types and causes of hearing loss, its impact on development, communication and language use of a screening questionnaire, when/how to screen, and when/how to refer for further assessments and services.
