Conferences for Illinois Parents of Children with Vision Loss

Parents of children ages birth through twenty-one are encouraged to join us for in-depth discussions of useful topics. Learn from experts in the field as well as from fellow parents.

Mark your calendar to attend the full-day event closest to you! You won't want to miss this opportunity to meet other families.

Invite your child's teachers to attend with you as a team. This is a great opportunity for them to gain a new perspective and earn professional credits in a fun, family-friendly atmosphere! EI and CPDU credits are available.
